 St. Regis Kuwait

Kamco Invest and Burgan Bank are set to co-host the second edition of their exclusive Investment Conference at St. Regis Kuwait on Monday, February 10th, 2025. Building on its the strong foundation of its highly-successful inaugural edition, the event will convene an elite gathering of thought leaders, industry experts, and institutional investors for insightful discussions on critical topics shaping the global economy, geopolitics, and diverse asset classes.

Under the theme "Exploring Trends: Ideas That Move Markets", the conference seeks to delve into the intricacies of the global economy, uncover the forces shaping geopolitics, and examine emerging challenges and opportunities across a spectrum of asset classes. In a rapidly changing world with ever-evolving market dynamics, this event serves as a guiding compass to change makers, delivering actionable insights and strategic foresight to empower participants in navigating the complexities of the financial landscape.

The distinguished lineup of speakers and panelists, including executives from Kamco Invest, prominent figures, and respected guests from renowned regional and international asset management firms, will contribute to a robust exchange of ideas and insights. This collaborative effort is designed to foster a collective understanding of how to thrive amidst uncertainties, leveraging the combined expertise of industry leaders.

The event will commence with a thought-provoking presentation by Oxford Economics, providing a comprehensive analysis of the macroeconomic and geopolitical environment, exploring key factors shaping the global and regional landscapes and their impact. Following this, four engaging panel discussions will unfold, focusing on the GCC economies, regional equity markets, investment opportunities in a high-interest rate environment, in addition to success stories in private equity and venture capital.

Highlighting the collaboration between Kamco Invest and Burgan Bank, Sana Al-Hadlaq, Senior Executive Director of Wealth Management at Kamco Invest stated, "This conference highlights the continued success of our ongoing collaboration with Burgan Bank, which was exemplified by the outstanding impact of last year's event. Together, we are committed to providing unmatched insights into the financial landscape, tackling challenges, and uncovering opportunities to empower our clients and guide them toward confident and successful investment decisions."

Meshari Shehab, General Manager of Private Banking and Wealth Management at Burgan Bank added, "We are excited to co-host this impact-driven event for the second consecutive year, reinforcing our commitment to delivering not only exceptional financial services but also playing an active role in driving the conversations shaping our industries today. By leveraging the combined strengths and expertise of both our institutions, we are poised to offer innovative solutions, actionable insights, and forward-thinking strategies that will enhance our clients' understanding of the financial landscape."

The panels will feature esteemed guest speakers from Kamco Invest and renowned regional and international institutions and asset management firms, including the Arab Fund for Economic & Social Development, MSCI, SNB Capital, Flexam Invest, European Green Logistics Space (EGLS), Impact46, Yiswa App, and ARK Invest. This distinguished lineup of speakers will enrich the discussions and provide valuable insights into the evolving landscape of global investments.
